

Do You Need ComForcare™?

No matter what your age, there are times when we all need a little help with the activities of daily life. Surgery, injury, illness and challenges created by disabilities can make it tough to take care of yourself or your loved ones, and that's where we can help, for as short or long a time as you need. Contact us when...

- Dealing with and recovering from illness
- After hospitalisation
- After surgical procedures
- After suffering an injury or disabling trauma
- After sustaining injuries from a motor vehicle or similar accident
- When adjusting to a new disability
- After suffering a heart attack
- Living with a life-long condition

If any of the above apply to you or your loved ones, we can provide the assistance you need to get back on your feet. Contact us today for more details!

HOME CARE SERVICES

ComForcare Senior Services®

Supporting independence, dignity and quality of life...

Since 1996, ComForcare™ has specialised in delivering high-quality, guaranteed home care services to the community. Our comprehensive range of non-medical care services has helped hundreds of people recover and prosper in the comfort of their own homes.

Our highly experienced and trained caregivers have received outstanding praise from families just like yours. Their training and background gives them the knowledge and experience necessary to provide you or your loved one with a wide range of services, from meal preparation to safety supervision, ensuring a happy and healthy recovery.

Reliable help when and where you need it!

Our caregivers are available anytime: 24 hours a day, 365 days a year. We also provide security and confidence through all-hours Telephone Reassurance and Urgent Care Assistance, so fast, reliable help is always accessible when it's needed.

ComForcare provides a wide range of daily personal services, including:

- **Bathing, Grooming & Hygiene**
Respectful hands-on or stand-by assistance.
- **Mobility Assistance**
Help with mobility is provided.
- **Meal Preparation**
Individual preferences, dietary restrictions and the importance of nutrition are always considered.
- **Medication Assistance**
Safe compliance with prescribed medication is offered by the caregiver.
- **Safety Supervision**
Caregivers provide general supervision and assistance to assure client safety and well-being.
- **Transportation/Errands**
ComForcare staff are happy to accompany clients to medical appointments and assist with occasional shopping and other local errands.
- **General Domestic Services & Light Housekeeping**
We will perform basic everyday household chores on request.
- **Family Respite**
ComForcare makes it possible for family caregivers to take time off worry-free. We'll handle everything so you can attend to your own needs.

Supporting independence, dignity and quality of life ...

That's the ComForcare vision and our promise to our clients. Contact us today and find out how we can help make your family life a little less stressful. Call us or visit our web site today.
